Metis Settlements Quick Facts

- There are 8 Metis Settlements in Alberta. The Metis Settlements cover 512,121 hectares (1.25 million acres) of land.
- Alberta is the only province in Canada with a recognized Metis land base and Metis governments: the 8 Metis Settlements were established by legislation.
- The 8 Metis Settlements are all located in the northern part of the province.
- Each Metis Settlement is governed by an elected five-person Council, which has statutory authority similar to local governments.
- The Metis Settlements Act stipulates that a Metis Settlement member must be of Aboriginal ancestry, identify with Metis history and culture, be at least 18 years of age who has lived in Alberta for the previous five years and has been approved for membership by the local Settlement council. A Settlement member must also live on the Settlement (or have an approved leave of absence), and must not be in debt to the Settlement without a repayment agreement.
